

Governor's Weekly Message: Recognizing Delaware's Judicial Selection Process

WILMINGTON – In his [weekly message](#), the Governor talks about the judicial selection process in Delaware.

“Who we have as judges says a lot about who we are as a people, because justice is at the very core of who we are as Americans,” said Governor Markell. “As we’re focusing on putting people back to work in Delaware and improving our schools, having a great justice system is critical to having Delaware move forward.”

At noon every Friday, the Governor’s office releases a new Weekly Message in video, audio, and transcript form. The message is available on:
