

Governor's Weekly Message: Honoring Our Veterans for their Service, Sacrifice

In his weekly message, Governor Markell highlights ongoing efforts in Delaware to support the men and women who put service above self, as we look ahead to the Veterans Day holiday.

"We must continuously renew our commitment to our veterans, and I'm proud our state has recently taken steps to strengthen services for our returning heroes," said Governor Markell. "In September, we declared Hire a Vet month, with a focus on reducing the disproportionately high rate of veterans' unemployment. Earlier this year we launched our Veterans Services Directory, an online searchable database of organizations assisting Delaware's military, veterans and their families."

Every Friday, the Governor's office releases a new Weekly Message in video, audio, and transcript form. The message is available on:
