Wilmington – In his [weekly message](#), filmed at [St. Michael's School and Nursery](#) in Wilmington, Governor Markell announces enhancements to help more early childhood programs receive high ratings and make it easier for disadvantaged kids to get the best care.

“We’ve heard from providers about the resources they need to meet high standards, so we’re increasing the assistance that’s most helpful,” said Governor Markell. “Our children are our future. By giving them the best opportunity to learn and develop from the beginning, we’ll keep Delaware moving forward.”
