

Governor's Weekly Message: Revitalizing Our Downtowns, Strengthening Our Economy

(Dover, DE) – In his weekly message, Governor Markell explains how state grant funding, awarded earlier this week, will leverage over \$100 million in private investments in Delaware's Downtown Development Districts.

"Funding through the DDD grant program is the extra boost needed to kickstart development and the return on the State's investment is enormous," said Governor Markell. "By incentivizing development in our downtowns, we'll strengthen our economy and revitalize our neighborhoods and that will keep Delaware moving forward."

Every week, the Governor's office releases a new Weekly Message in video, audio, and transcript form. The message is available on:
