

Governor Markell Statement on DuPont Proxy Results

Dover, DE – Governor Markell issued the following statement in response to the DuPont proxy vote results announced today:

“Today’s proxy results confirm that DuPont remains a leader in innovation with a strategic vision for continued success in times of change. Delaware and DuPont have been partners in advancing science and improving lives for 200 years, and following today’s victory for DuPont’s leadership, I look forward to continuing to work with them to ensure our state is doing all we can to support good jobs and a stronger Delaware.”
