In his [weekly message](#), Governor Markell highlights various community-driven efforts to strengthen and revitalize Delaware neighborhoods.

“As I’ve traveled throughout the state, I hear a common message from residents: they want to play an active role in revitalizing struggling neighborhoods,” said Governor Markell. “They’re interested in being a part of the solution, and not dwelling on challenges, and their enthusiasm presents an incredible opportunity for the future of our towns, and for the future of our state. If we tap into the energy of the many selfless Delawareans who want to give their time to help friends, families and neighbors, we will keep Delaware moving forward.”

Every week, the Governor’s office releases a new Weekly Message in video, audio, and transcript form. The message is available on:
