

Delaware Office of State Planning Coordination Announces Release of 2015 Strategies for State Policies and Spending

DOVER, DE – The Delaware Office of State Planning Coordination (OSPC) today announced the release of the draft [2015 Strategies for State Policies and Spending Update](#). The documents and maps have been revised to include the most current data and information from local governments and state agencies. The public is invited to review and comment on the document, and OSPC will be hosting a series of seven public workshops in October to present the draft and answer questions from the public. Visit the [Strategies Update website](#) for a list of workshop dates and locations.
