Newark, DE – In his weekly message, filmed at the Christina Early Education Center, Governor Markell highlights the state's progress in ensuring access to quality early childhood education for all Delaware students.

"This past week, we celebrated the Christina Early Education Center for becoming the state's 100th 5-star program," said Governor Markell. "Better still, more than 58 percent of the state's most vulnerable children are enrolled in highly rated Stars programs, up from just 5 percent in 2011. By recommitting to sustaining and building on our early childhood initiatives, we'll keep Delaware moving forward."

Every week, the Governor's office releases a new Weekly Message in video, audio, and transcript form. The message is available on:
