Wilmington, DE – In his weekly message, Governor Markell highlights efforts to better support teachers in our early childhood programs.

“Ensuring Delaware children start school ready to learn is vital to their lifelong prosperity. It’s why we’ve invested heavily in strengthening our early learning programs, as well as supports for new mothers,” said Governor Markell. “By continuing to better support them, we’ll keep Delaware moving forward.”

Every week, the Governor’s office releases a new Weekly Message in video, audio, and transcript form. The message is available on:
