DOVER – DNREC Secretary David Small has issued a Cease and Desist Order to McGinnis Auto & Mobile Home Salvage, LLC, for violations of 7 Delaware Administrative Code and Delaware's *Regulations Governing Solid Waste*. The Order requires the company to stop receiving and dismantling mobile homes; to properly dispose of or recycle all solid wastes and piles of construction and demolition waste on the premises; to provide certain documentation for business activities; and to submit a completed Resource Recovery Facility Permit Application.

McGinnis Auto & Mobile Home Salvage, LLC, located at 4160 Downs Chapel Road in Clayton, received a Notice of Violation (NOV) from DNREC in August 2015 citing the company for operating a materials recovery facility without a permit and improper disposal of a solid waste. The facility failed to come fully into compliance with the NOV and a follow-up site visit in March 2016 found that violations were ongoing – including, but not limited to, operating without a permit.

The Secretary's Order can be found on the DNREC website at [http://www.dnrec.delaware.gov/Info/Pages/SecOrders\\_Enforcement.aspx](http://www.dnrec.delaware.gov/Info/Pages/SecOrders_Enforcement.aspx).
