

ADVISORY: Students Gather for 15th Annual Delaware Day Fourth Grade Competition Ceremony

Each year, awards are given to schools with the most creative and historically accurate projects.

Named in honor of Delaware's five signers of the U. S. Constitution, the awards recognize schools in each county plus the city of Wilmington as well as a private school.

Projects also are evaluated by the Delaware Division of the Arts and the Newark Arts Alliance. Select projects are presented with an Artistic Merit Award in recognition of the students' creative use of visual art as well as design and composition.
