

DNREC invites public input at Oct. 5 ocean planning workshop in Bethany Beach

BETHANY BEACH – The Delaware Department of Natural Resources and Environmental Control invites ocean recreational users to participate in the Mid-Atlantic Non-Consumptive Recreation Workshop from 6:30-8:30 p.m. Thursday, Oct. 5 at the South Coastal Public Library at Bethany Beach, 43 Kent Avenue, Bethany Beach, DE 19930. Non-consumptive recreational use involves activities in which nothing is taken from the environment, such as paddlesports, boating, hiking, biking, wildlife viewing, swimming, and beach going.

The workshop is part of a series of workshops being held throughout the region to share information and solicit input from the public about recreational use to support the implementation of the Mid-Atlantic Regional Ocean Action Plan.

The joint Delaware-Maryland workshop is hosted by the Mid-Atlantic Regional Council on the Ocean (MARCO), of which DNREC's Coastal Programs is the lead; the Surfrider Foundation; and the Maryland Department of Natural Resources.

The workshop includes pizza and beverages, with RSVPs requested through <https://www.eventbrite.com/e/non-consumptive-recreation-public-workshop-delaware-and-maryland-tickets-37325559754>.
