

Calling All Performers!

The Governor's Advisory Council for Exceptional Citizens, in conjunction with others from the disability community is excited to announce the development of an original musical. The musical will be produced in Kent County in 2018. The musical will provide a "walk through disability history in Delaware." Currently, we are seeking talented actors, singers, dancers, puppeteers and musicians to be a part of the show. In addition, we are also searching for volunteers in the areas of lighting, set design, props and marketing for the show.

Informational meetings will be held on Wednesday, December 6 and January 10 at Central Middle school in Dover from 5:30-8:00pm. The address for Central Middle School is 211 Delaware Avenue, Dover. If you are interested you will only need to attend ONE of these meetings. Please note: this is not an audition, however, if you have a performance resume or headshots you would like to leave with us please bring them. Auditions will be held in Early 2018. Those interested but unable to attend the information meeting may call the GACEC office and speak to Wendy Strauss 302-739-4553.
