

DNREC Division of Parks & Recreation announces Brandywine Zoo closure on April 16 – 17

DOVER – DNREC's Division of Parks & Recreation announced today that the Brandywine Zoo will be closed Monday, April 16, and Tuesday, April 17, for routine tree removal.

It was determined that four trees need to be taken down and away from the zoo over the two days. The zoo is being closed as a precaution, to ensure the safety of animals and visitors.
