

# Governor Carney's Statement on DuPont's Purchase of Newark Manufacturing Facility

**DOVER, Del.** – Governor John Carney on Wednesday issued the following statement on [DuPont's announcement](#) of the company's \$45 million purchase and expansion of a facility in Newark to manufacture the specialized engineered material Kalrez:

"DuPont's announcement on Wednesday reaffirms that Delaware remains a great place for any company to put down roots, grow and create jobs. Delaware has a talented and dedicated workforce, an ideal location and quality of life that's second to none. We stand ready to support any business, large or small, that is seeking a great location to grow and thrive."
