

Flags lowered for passing of Sen. McCain

Senator John McCain proudly served his country as a Navy aviator during the Vietnam War and as a statesman representing the State of Arizona in the U.S. House and Senate for over thirty years.

In remembrance of the life and service of Senator McCain, Governor Carney has ordered the U.S. and Delaware flags to half staff effective immediately. Flags are to be returned to full staff at sunset Sunday, September 2, the day of Senator McCain's interment.
