“How to Train Your Dragon: The Hidden World” is a 2019 American computer-animated action fantasy film loosely based on the book series of the same name by Cressida Cowell. The film’s plot follows Hiccup seeking a dragon utopia called “The Hidden World” while coming to terms with Toothless’ new bond with a female Light Fury.

The main section of the Buena Vista mansion was built between 1845 and 1847 by John M. Clayton, United States secretary of state from 1849 to 1850 under presidents Taylor and Fillmore, and United States senator from 1829 to 1836, 1845 to 1849, and 1853 until his death in 1856. The home later became the residence of C. Douglass Buck, governor of Delaware from 1929 to 1937 and United States senator from 1942 to 1948. Buena Vista and its grounds were donated to the state by the Buck family in 1965 and now serve as a conference/event center administered by the Delaware Division of Historical and Cultural Affairs.

Buena Vista: A Delaware Country Estate is administered by the [Division of Historical and Cultural Affairs](#), an agency of the State of Delaware. The division enhances Delaware's quality of life by preserving the state's unique historical heritage, fostering community stability and economic vitality and providing educational programs and assistance to the general public on Delaware history and heritage. The division's diverse array of services includes operation of five museums which are [accredited by the American Alliance of Museums](#), administration of the State Historic Preservation Office, conservation of the state's archaeological and historic-objects collections, operation of a conference/event center and management of historic properties across the state. Primary funding for division programs and services is provided by annual appropriations from the Delaware General Assembly and grants from the National Park Service, Department of the Interior, a federal agency.
