

FY2020 Clean Water and Drinking Water State Revolving Loan Fund public workshop Jan. 6 by DNREC Environmental Finance

DOVER – Environmental Finance within DNREC’s Office of the Secretary and the Delaware Division of Public Health will host a State Revolving Loan Fund public workshop Monday, Jan. 6, 2020, in preparation for the development of the 2020 Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving (DWSRF) Project Priority Lists. The workshop begins at 10 a.m. in the Kent County Administrative Complex, Conference Room 220, 555 S. Bay Road, Dover, DE 19901.

The workshop will inform and provide municipal government representatives, privately-owned businesses, wastewater and drinking water utilities, consultant engineers, and other interested parties with detailed overviews of the CWSRF and DWSRF programs. The combined-program workshop will provide attendees with an accurate and efficient source of information for requesting financial assistance for wastewater and drinking water infrastructure project needs.

Notices-of-Intent (NOI) for wastewater, drinking water, stormwater, and related infrastructure projects will be solicited starting Monday, January 6, 2020, and are **due by Friday, Jan. 31, 2020**, to prepare the 2020 CWSRF and DWSRF Project Priority Lists (PPLs). Projects must be listed on the CWSRF and DWSRF PPLs, respectively, to be considered for funding. Workshop attendance is **required** by applicants and/or their consulting engineering firms who plan to apply for CWSRF and DWSRF assistance.

Workshop participants will learn about the following CWSRF and DWSRF program changes and infrastructure financing tools:

- One-stop loan application process for wastewater and drinking water infrastructure project assistance
- Land conservation and water quality improvement loan sponsorship programs
- Source water protection loans for drinking water supplies
- Wastewater, drinking water, and stormwater facilities matching planning grants
- Community water quality improvement grants
- Asset management plan development incentives
- Project planning advances
- Expanded eligibilities for privately-owned businesses

In addition, detailed information will be presented at the workshop about how and when to submit projects for funding consideration, project ranking criteria, project construction requirements, and how to apply for infrastructure planning grants.
