

Arbor Day Poster Contest for Grades K to 5

Delaware Forest Service Arbor Day Poster Contest

2020 theme is "Trees Are Terrific...in Many Wonderful Ways!"

DOVER, Del. – To celebrate Arbor Day in the First State, the Delaware Forest Service is once again holding its annual "Arbor Day School Poster Contest" for students in grades K to 5 from all Delaware public, private, home school, after-school, and other organized youth groups. Winning posters will be selected from each of the three counties in the following categories: kindergarten, grades 1 and 2, grades 3 and 4, and grade 5. The twelve winners will be recognized at the annual Statewide Arbor Day Celebration hosted by Governor Carney! A tree planting ceremony will also be scheduled at each winner's school to celebrate Arbor Day.

The poster contest is designed to increase student knowledge about forests and forest resources. For teachers, the poster contest can be an ideal way for students to learn more about the role of trees in our communities and their direct impact on Delawareans' health and well-being. The schoolyard is a perfect setting to incorporate the role of trees into your everyday curriculum. Trees not only provide beauty, shade, and habitat and food for wildlife, they also improve air quality, muffle noise, moderate air temperatures, filter runoff into streams and rivers, and reduce energy consumption.

In 2019, the Delaware Forest Service hosted its annual [Arbor Day Ceremony at Dover's Schutte Park](#), honoring its school poster contest winners and recognizing Dover's 30th Year as the First State's longest-running [Tree City USA](#). The event

culminated with the planting of more than 30 large trees at six locations, including a zelkova on the historic Green on State Street. Delaware State University also held its Arbor Day event and celebrated its 8th consecutive year as Delaware's only certified [Tree Campus USA](#), followed by a ceremonial tree planting on campus.

Each poster contest winner received a tree-themed book and a print reproduction of their poster on fine art canvas. Thanks to corporate sponsor Delmarva Power, a free tree planting ceremony will also be held at each winner's school. In addition, every participating classroom receives free pine seedlings for all participants. Once again this year, students from the Middletown High School FFA Chapter and senior volunteers from the Modern Maturity Center in Dover are wrapping thousands of seedlings to distribute to schoolchildren statewide.
