

Governor Carney, DPH, DEMA Announce Community COVID-19 Testing Sites

WILMINGTON, Del. – Governor John Carney, the Delaware Division of Public Health (DPH), and the Delaware Emergency Management Agency (DEMA) announced the list of community testing sites throughout Delaware next week. Testing locations listed below include pop-up and Curative trailer sites, as well as community sites hosted by New Castle County and Henrietta Johnson Medical Center.

*The most important thing we can do to protect ourselves and our loved ones is to get vaccinated,” said **Governor Carney**. “COVID-19 is still circulating in our communities, but we have the tools to prevent severe illness and hospitalization. Ask your friends and family if they’ve been vaccinated. Talk to your doctor, or look for vaccination clinics in your area.”*

DEMA has coordinated community sites this week in addition to sites at Walgreens and at various hospitals and health care locations. Delawareans can view a full list of COVID-19 testing locations at de.gov/gettested.

Delawareans are encouraged to check the Delaware Department of Health and Social Services’ social media accounts ([Facebook](#), [Twitter](#), and [Instagram](#)) for testing location updates due to inclement weather.
