

STATEMENT: Governor Carney on Appointment to Council of Governors by President Biden

WILMINGTON, Del. – Governor John Carney issued the following statement on [his appointment to the President's Council of Governors](#):

“I’m proud to join the bipartisan Council of Governors to help strengthen cooperation between our states and the federal government on a range of threats facing our country – from extreme weather to public health challenges,” said Governor Carney. “As we’ve seen over the past year, state-federal cooperation is critically important, especially during a crisis situation. I want to thank President Biden for the appointment, and for bringing governors of both parties together to address important issues we all face.”
