

Nonprofit Security Grant Program

To prevent, prepare for, protect against
and respond to terrorist attacks

FEMA

Registered nonprofits at risk
of a terrorist attack can apply for up
to \$150,000 per facility or location, up to
three sites, for target hardening and activities
that enhance physical security or cybersecurity.

REQUIREMENTS TO APPLY

Interested applicants are urged to complete the
items below as soon as possible to allow time for
completion before applying for the NSGP grant.

VULNERABILITY RISK ASSESSMENT

All applicants must submit a vulnerability risk assessment
specific to the location/facility for which they are applying.
Self-assessment tools and resources are available from
Delaware Information and Analysis Center (DIAC) and the
Cybersecurity & Infrastructure Security Agency (CISA).

CISA: Faith-Based Organizations and Houses of Worship

DIAC: Vulnerability [Self-Assessment Tool](#)

UNIQUE ENTITY IDENTIFICATION (UEI) NUMBER

The UEI is a 12-character alphanumeric ID assigned by
the federal System for Award Management (SAM) website
at [SAM.gov](#). If an entity has already registered in SAM.gov
(active or not), the UEI is viewable at SAM.gov. For new
applicants registering for the first time, the Unique Entity
ID is automatically generated during registration.
